SCOPE OF WORK

The overall scope of this project includes the rehabilitation of existing taxiway and apron within the project limits including Taxiway E, E2, E3, Taxiway B (north of Runway 11-29), and a portion of the general aviation ramp north of Taxiway E3. This work will include the mill and overlay of pavements, complete pavement section removal and replacement, electrical system demolition/installation, storm drainage system improvements, and site restoration.

BIDDING DOCUMENTS

Electronic plan sets may be ordered from the Engineer at the address listed below. Cost of the Documents will be determined by actual reproduction and shipping costs. No partial sets will be issued. Complete Plans, Specifications, and Contract Documents are also available for inspection in the office of the Engineer. Technical questions shall be directed to the office of the Engineer in writing.
